

Maths

This term in Maths we will be looking at:

- Place value
- Addition & subtraction
- Statistics
- Multiplication & division
- Perimeter and area

English

Fiction - Traditional tales, stories and myths: We will be reading some traditional Ancient Greek myths such as Theseus and the Minotaur and Pandora's Box'.

Non-fiction - The children will also be creating recounts relating to Greek myths.

Year 5!

P.E Kits - every Wednesday

Swimming Kits -Every Monday
(Including inhaler if needed)

Reading and Homework

Homework will be handed out every Friday and will be due in by Wednesday.

We ask that children read at home three times a week and that this is recorded in their reading record books. Completing all three pieces of homework and three reads will result in a special reward.

Year 5

**Miss Sangster
&
Mr Crowther**

Autumn

Science

Earth and Space- The children will describe the movements of Earth and other planets relating to the sun and the solar system. The children will also recognise the Earth's rotation and how it relates to day and night.

SEAL

This term we will be looking at resilience and methods to keep going, even when we want to give up!

Sport

Swimming - The children will be participating in weekly swimming lessons at the Swimming Pool on a Monday afternoon.

PE - Working with Sports UK, Year 5 will be looking at attacking and defending games, alongside sports that include teamwork.

Knowleswood Primary School

Autumn Term

Welcome to Year 5!

Welcome to the autumn term at Knowleswood!
We hope you have had a relaxing summer holiday.
We are looking forward to all of our learning this term, starting with our exciting topic, Reach for the stars.

Topic Work - In the Zone!

Geography: Over the course of the autumn term, we will be looking at human Geography linked to Egypt.

ICT: In Autumn 1 we will be learning how to design our own interactive game. In Autumn 2 we are going to learn to become cryptographers and crack computing codes!

Music and PSHCE

Music - During this term, the children will be learning all about cyclic patterns, exploring rounds, learning how to read music which will eventually lead on to writing and recording their own songs on Garageband!

PSHCE - Our first focus in P.S.H.C.E will be all about new beginnings. Our second program of study will focus all about the difficult struggles of getting along and falling out.

RE

This half term we will be learning about all the various places of worship from different religions.

Investors in Pupils

Remember to remind your child to share their new target with you!
