

# Nursery News

Welcome back to our Nursery children. We hope you have had a lovely Easter!

## Learning

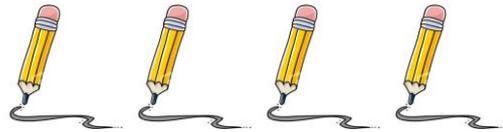

Our topic this half term will be Let's Go Down to the Woods Today. We will be focusing our activities each week around different books relating to nature, animals and the woods. Some of the books we are focusing on are:

- We're going on a Bear Hunt
- The 3 little pigs

The children will also be given lots of opportunities to explore numbers, such as becoming more confident with number recognition, comparing sizes of objects and counting amounts. They will also be holding their pencils with control, writing their names and recognising their names by initial sounds.

## Name Recognition

This term we have a high focus on the nursery children being able to recognise their own names. In the classroom we have a lot of opportunities for children to learn their names and are also starting a question of the day for parents to be involved in this process. This will be displayed outside of the nursery door above the writing table. This will feature a question that is changed everyday with a yes or no answer. We encourage parents to ask children the question and to help their children to recognise and find their name, putting it against their answer.

## Nursery Fees

We would like to kindly remind you that if you have paid sessions in school, you must keep up to date with payments. If this is not the case, unfortunately we will have to turn your child away for their paid sessions and offer the place to another child.

## Nursery Snack Money

We would like to kindly ask for a contribution of £3.50 per half term. This enables us to provide a different snack daily and to also give the children an opportunity to bake. It also makes a big contribution to all the little extras that go towards enhancing the activities we provide for your child in Nursery.

Thank you again for your continued support. Please feel free to speak to us if you have any questions.

Miss Barker, Miss Somma, Miss Wing and Mrs McCleary.
