

Maths

In Maths we will be looking at:

- Multiplication and Division (3 weeks)
solve one-step problems involving multiplication and division, by calculating the answer using objects, drawing pictures and arrays with the support of the teacher.
- Fractions (1 week)
To be able recognise, find and name $\frac{1}{2}$ and $\frac{1}{4}$ of an object, shape or quantity e.g. $\frac{1}{2}$ of 8 is 4

English

We will start the half term by reading the classic tale Jack and the Beanstalk and writing instructions on how to plant a bean like Jack. The final two weeks of the half term will be learning the story of the Princess and the Pea and writing our own version of the story.

P.E

In P.E we will be learning ball skills e.g. correct holding of a ball, rolling balls and simple passes.

Knowleswood Primary School

Year 1 notices

Please ensure all uniform and belongings are labelled with your child's name.

P.E is on a Wednesday so please can you ensure their PE kit is in school.

Children need to bring their home **reading book** into school **every day**.

Please ensure your child has suitable clothes for them to learn outside.

The Secret Garden

Year 1- Summer 1

Miss Fidler and Miss Johnston

Key Dates

Bank Holiday: Monday 6th May
Half Term: 24th May – 3rd June

Topic- Secret Garden

Children will learn how to plant a seed, and write a set of instructions on how they did it for others to follow. They will also learn the parts of a plant and flower and when plants have grown which are deciduous or evergreen.

Science

The children will be learning about the life and influence of Sir David Attenborough. They will also learn about human and physical geography features of their local surroundings. Additionally they will learn about Van Gogh and compare his artwork to Henry Moores.

ICT

We will begin to look at programmable toys and how to make them move by giving them a set of instructions.
