

Maths

This term in Maths we will be looking at:

- Decimals
- Money
- Time
- Statistics
- Shape

My Maths number target is:

To be able to instantly recall my timetables.

English

Play scripts - we will be learning about the features of a play script. We will then re-write sections of a story as a play script.

Information texts - during this topic, children will gather information before writing a non-chronological report.

Poetry - we will look at techniques used by poets to create imagery.

My English target is:

To structure a variety of sentence types correctly.

Science - Electricity

Children will learn about the components of a circuit and why there are variations in how these components function. They will investigate this with relation to brightness of bulbs and loudness of buzzers. They will go on to build their own circuits, completing series circuit and use symbols to draw it.

Knowleswood Primary School

Summer Term

Welcome back to Year 4!

Welcome to the summer term at Knowleswood! The children have all returned after Easter looking smart and ready to learn.

Topic Work- Vile Victorians

History - children will be focusing on the Victorians, specifically education, jobs, everyday life and inventions.

Geography - children will look at British canals and rivers. They will use fieldwork to observe, measure, record and present the human and physical features in the local area. After this, they will look at how these affect different areas such as water run-off. We will also look at land use and trade links related to Victorian Britain.

ICT - children will use software to develop a simple Wikipedia page.

Art - Design and make a Victorian outfit.

Reminders!

PE kits - please bring your PE kit ready for PE on Monday mornings!

Reading - please read as often as possible with your child at home and ask your child questions about what they have read. We encourage a variety of texts throughout the week.

Homework - one piece will be given out every Friday to be returned the following Wednesday.
