Universal Free School Meals

Dear Parent/Carer

From September your child will no longer be entitled to universal free school meals. The cost of a school meal is £1.80 payable through ParentPay, if you require a ParentPay user name and password please call to the school office.

However, did you know if your child is entitled to Free School Meals through the benefits office; **You can also receive free milk and a voucher for free school uniform to the value of £25.00 per qualifying child per academic year.**

For each child who is entitled to free school meals, school receives significant extra funding which is used in many different ways to support your child.

Once school has received confirmation of entitlement to Free School Meals you can claim your free uniform voucher and will automatically receive free milk from September.

Please click on the link provided in a separate text message to apply for free school meals.

Yours sincerely

Noreen Dunn
