Dear Parents/Carers,

**Re: Coronavirus update – school closure to most pupils**

Following on from our last update, we are writing to let you know that **we have now been instructed to close the school to almost all children after this Friday until further notice.**

As advised by the government, we will do all we can to stay open for the children of key workers with no other parent or carer at home. (e.g. NHS, police, school or food delivery).

We are waiting for the government to publish more information on what this means and we'll be in touch again as soon as we are sure who this does apply to.

**All other children will need to stay at home, so we ask that you do not send your child into school from Monday onwards.**

Please note that this is a national closure – as you may have heard in the news – so while it is a challenging situation, we are not alone. We'll re-open fully as soon as we can and will let you know when this is by text message and social media.

This is as much as we know right now and we appreciate your continued patience, as we deal with this ever-changing situation. We understand that this latest news will have an impact on you and your family and it's far from ideal, but we'll continue to keep in touch with any updates as the situation develops.

If you want to get in touch to share any concerns, please don't hesitate to do so via email at [office@knowleswood.bradford.sch.uk](mailto:office@knowleswood.bradford.sch.uk)

And remember: if you or your child feels ill and you want to know what to do next, please use [NHS 111 online](#).

Thank you again for your continued support, and we will be in touch with more information when we can.

Yours sincerely

Noreen and Clare
