

Corona Virus continues to be an issue that we are monitoring very closely.

We are following government guidelines and information.

These are the things we have done so far:

- Instigated a more rigorous cleaning routine at frequent times throughout the school day.
- Disposed of any resources such as sand and play dough that may spread germs.
- Carried out lessons and circle times with all children about hand washing, hygiene and 'tissue rules'.
- Ensured all hand wash stations have enough soap and hand sanitizer at all times.
- Monitored any holidays that families have been on, and if any families return from category 1 or 2 countries they will be asked to stay at home.

The symptoms of corona virus are a cough, high temperature and shortage of breath.

If you feel your child or anyone your child has had contact with has any symptoms, please:

- Keep them at home.
- Ring 111 or use the 111 website for guidance.
- Let school know as soon as possible.

Please feel free to contact school if you have any questions about our school procedures.
