21st August 2020

Dear All,

Firstly, I hope you are keeping well and having a lovely summer break.

This letter relates to the uniform.

The uniforms will be ready for collection during the week commencing 1st September and you will be given a day and time slot. Collection will be arranged in alphabetical order according to your oldest child's surname and you will be able to collect each of your children's uniforms at the same time.

Please do not come to collect if it is not your given slot. Natashas are supplying enough so that every child receives the polo shirt colours they would like. When you do arrive to collect please remember to keep a social distance from other families.

If you can not make your given time slot don't worry, we can rearrange for the following week.

For the first week of term uniform will not be compulsory until we have ensured that every pupil has what they need. Children can wear appropriate, comfortable clothing. If children choose to wear their new uniform they are welcome to do so.

A PE kit of jogging bottoms, a red t-shirt and pumps, continues to be provided by the school so your child will have one. If your child would prefer to wear PE shorts please feel free to buy some, label them up, and they will be kept in your child's PE bag. PE kits will be washed regularly at school.

Book bags will be on sale when you pick up uniform but it is not essential to buy one as we will provide plastic book bags.

Further information around the re-opening of school and safety measures in place will be sent out closer to our first day back at school (Monday 7th September).

Yours sincerely

Clare Cosgrove
Head of School
