

## Phonics

This half term we are learning **set 1 sounds**  
(m,a,s,d,t,n,g,p,o,c,k,u,b,f,e,l).

At home you could try:

- Practise saying the different sounds and find objects that start with each sound
- Write the sound in different ways - using pencils, chalk, paint.
- Make flash cards and see how many sounds you can recognise

## Reception Home Learning

### Autumn 2

Miss Barker and Miss Watkin

[receptionhomelearning@knowleswood.co.uk](mailto:receptionhomelearning@knowleswood.co.uk)

*If you have queries about any aspect of your child's classwork you can email the class teacher. Please do not use this address for general or urgent enquiries.*

## Name writing

We have been working really hard to write our names in the first half term. Keep working on this.

Here are some exciting ways to work on name writing with your child:

Messy play

Make a rainbow

## English

Our texts in English this half term will be - Room on the Broom, Gigantosaurus and A New Home for Pirate.

At home you could -

- Read the story or watch the story
- Make a story map to retell the story

[Room on the Broom](#)

[A New Home for Pirate](#)

[Gigantosaurus](#)

## Maths

In maths we are learning to represent numbers 1,2 and 3.

At home you could try:

- Counting out different objects into sets of 1, 2 and 3?
- Go on a number hunt and see where you can find the numbers represented at home.
- Practise drawing the numerals .
- Watch the Number blocks episode for 1, 2 and 3.

Click on the links to help you.

## PSHCE

In PSHCE our focus is

'I'm special, you're special'.

Can you think of different things that make us special? For example something you are really good at.
