

Year 1 – Home Learning Activities.

History

Recently in class we have learnt about The Wright Brothers and their invention of the first aeroplane.

Have a think about what the world would be like without aeroplanes.

What wouldn't you be able to do?

Write a list or draw a picture of your ideas and observations that would be different if aeroplanes didn't exist.

Art

With your new Year 2 teacher, you will be discussing why you are Proud to be you.

Draw a picture of yourself doing something you are proud of; e.g. cooking, riding your bike, etc.

You can bring in the picture for your new Year 2 teacher and it could be put up on the special 'Proud to me' display!

Reading

Read a book you have at home – it could be one you have read many times or a brand new one.

Write a book review on your thoughts about the book or even discuss it with an adult.

- What was it about?
- What did you like?
- What didn't you like?
- Draw a picture of your favourite character or favourite part of the book.

Computing

Play some games to practise your computing skills.

Science

Carry out your own research about creatures that live at the seaside; watch videos, read books or research facts on websites.

<https://www.bbc.co.uk/bitesize/clips/z8fnvcw>

Draw a picture of a seaside and include as much detail as you can. Label all the things you have drawn.

Music

Go on a musical sea adventure with Nigel and Suki and learn some ship songs.
