

As we arrive to the end of the autumn term we would like to thank our Knowleswood families and community for your continued support. The children have had a great term with some fantastic learning experiences. They are working hard and making great progress!

We are very proud of our Christmas tree this year! Every child in school has made their own beautiful decoration! We enjoyed our tree decorating day!

KIDS – our school values are that we are: **Kind, Independent, Determined and Safe**. We have done lots of work this term around being kind. We have looked at how to be a good friend and how to help each other, as well as how to be kind to ourselves. Mental health and personal wellbeing are a constant topic of conversation in all of our classrooms.

We have looked carefully at bullying and talked about what it means and how we can report any unkind behaviours. We have discussed that bullying means persistent and repeated unkind behaviour, that it is not tolerated at Knowleswood and that it will be dealt with appropriately.

To report any issues of this nature please talk to your child's class teacher or a member of the office staff. These reports are always recorded so that the senior leadership team and pastoral team are aware and can take action.

Knowleswood Knowledge Newspaper - We are proud to have developed our new newspaper, which is written by children and lets our families know about the fabulous things going on in school. You have been sent your copy via the children and there is an electronic version on Arbor.

Attendance – please continue to make every effort to get your children to school every day. Our attendance target is 95% and we really need to achieve it!
Missing school = Missing out!

Facebook – we are working hard make sure we post lots more news on our Facebook page as we know the children and families like to see all the photos. If you don't have Facebook the feed is also on our school website. www.knowleswood.co.uk

Children in Need

Year 6 Trip

Parent/Carer Workshops – keep a look out for the next dates for our workshop afternoons. Coffee, biscuits and lots of chat available!
