Knowleswood Primary School Newsletter

March 2023

Hi everyone and well done to all of our children for another great term! The children have been working so hard and we are really pleased with the progress they are making!

Outdoor Classroom

As the weather is improving we are happy to be developing the experiences and activities offered to children in our outdoor classroom and garden. Children have been busy planting plants and vegetables recently and are learning how to help them grow.

Our school guinea pigs Bluebell and Petal live in the outdoor area and children can spend time with them during break times and outdoor lessons.

Teaching and Learning

The Summer term class newsletters have been sent out today. Please have a look and a chat with your child about what they are going to be learning next – you could even do some pre learning research or a project to share with the class when we come back!

Parent / Carer Showcase Consultations

Thank you to all who attended the consultations – it is always great for us to be able to share your child's learning and progress with you!

£216 was raised for **Red Nose Day**, thank you for your donations!

School Facebook page

We share successes and information on our Facebook page and website - take a look!

Learning Champion Assembly

We are pleased to inform you that after Easter, parents / carers will be invited to the weekly learning champion assembly. This is a result of parents voicing their wishes by talking to staff.

Jewellery Children should not wear jewellery for school other than stud earrings. Children should not come to school with false nails. These rules are to keep all children safe.

Marvellous Me!

If you don't already have Marvellous Me, please download it so we can share your child's success.

Parent / Carer Courses

Julie and Gemma have been holding coffee afternoons and are really keen to get more parents/carers attending. They would love to know what type of adult education courses parents/carers are interested in so please pop in and have a chat. We can offer a variety of courses, both academic and practical.

Trips / Events

Please look out for information after Easter about your child's class trip. We have several exciting trips booked. It is essential that parents/carers return the consent forms in good time.

School Gate

Please be aware that cars should not be entering the school grounds via the drives at the end of the day unless a blue badge is presented (at the front gate). The drives are becoming busy again and this presents a danger to our children walking to and from school.

Attendance and Punctuality

Please remember that excellent attendance and punctuality are essential for our children to achieve and thrive. Bringing your children to school every day gives them the best chance at success.

If your child is too poorly for school or has an appointment please let the office know.

Reminder – doors open at 8.40am.

Congratulations!

Congratulations to Julie Robinson and Glenys Marshall for achieving their 25 years of service for Bradford Council award this month!

We would like to wish all of our school community a lovely Easter break and look forward to seeing everyone back on Monday 17th April.
