

15.03.2024

Dear Parents and Carers,

The Government has directed all schools to ensure that the minimum length of the school week is 32.5 hours. This must start in September 2024.

To ensure our school week is 32.5 hours long we must extend each school day by 10 minutes.

You may remember last year we consulted with you about a change of timings for the school day in preparation for this change. The outcome of the consultation was that people would prefer to add the 10 minutes to the end of the day.

**Therefore, from September 2024:**

Breakfast club will remain the same at 8am.

**The morning doors will open at 8.30 for a prompt 8.40 start to lessons.**

**Our school day will end at 3.10pm.**

If you have any questions around this, please do not hesitate to ask.

Kind regards,

Noreen Dunn

Executive Headteacher

Clare Cosgrove

Head of School
